### YOU HAVE THE CHANCE TO DOUBLE OR TRIPLE YOUR MONEY

There are six draws at 6pm, 6.30pm, 7pm, 7.30pm, 8pm and 8.30pm.

**There are also 2 x Jackpot draws at 7pm and 8.30pm.** Two names will be drawn out of the barrel for each draw.

### HOW TO GAIN ENTRY TICKETS:

- Members gain entry tickets into the six draws with any meal purchase at the Palm Court Bistro and Coffee Club, or when they make a purchase either the Main bar, Bistro Bar or Oasis bar.
- Members may also swipe for one entry ticket into the jackpot draw between 5pm and 6.55pm, for the first jackpot draw at 7.05pm. And then swipe again between 7pm and 8.25pm for the second jackpot draw at 8.35pm.
- There will be three entry boxes in which to deposit tickets, located at the Bistro, the main bar and Coffee Club.
- The tickets will be transferred to the main barrel in the prize area five minutes before each draw.

### DRAWS 1-3

At 6pm the first draw commences. Two winners will each choose one envelope from the 12 envelopes on the display board.

**3 x \$20**

**3 x \$30**

**3 x \$40**

**2 x \$50**

**1 x \$20 worth of club bonus points.**

### DOUBLE OR TRIPLE YOUR MONEY!

When the winner opens their envelope to determine their prize they may either take their prize or choose two (2) of the nine (9) Multiplier Cards on display for the chance to double or triple their winnings.

### MULTIPLIER CARDS

3 x 'Keep Your Money' cards

4 x 'Double Your Money' cards

2 x 'Triple Your Money' cards

To win DOUBLE their prize the member must turn over two (2) Double cards. To win TRIPLE their prize they must turn over two (2) Triple cards. If they turn over two (2) 'Keep Your Money' cards they win their original amount.

**HOWEVER, if any other combinations of two (2) cards are turned over the members will lose half of their prize. That's the gamble! The choice is yours.**

This same process continues for the 6.30pm draw (tickets are transferred to the main barrel at 6.25pm) and for the 7pm draw (tickets transferred at 6.55pm).

### THE FIRST JACKPOT DRAW

After the third draw at 7pm, the first jackpot draw commences. The winning member has the chance to win the jackpot by spinning the money wheel. If they land on the jackpot, (which starts at \$500 and increases each week by \$100 until won) they win and their turn is over. If won, the jackpot is reset to \$100 for the second draw. If not won, 1,000 consolation bonus points will be awarded. After the first jackpot draw the manager will clear the main barrel.

### DRAWS 4-6 AND THE SECOND JACKPOT DRAW.

This entire process is then repeated for the draws at 7.30pm, 8pm and 8.30pm. **Members are able to receive a second swipe ticket between 7pm and 8.25pm for the 8.35pm Jackpot draw.** If neither jackpot draw is won, \$100 is added to the total for the following week. Plus, a special marker will be added to one of the numbers on the money wheel, the number nominated by the second jackpot spinning member. This number will indicate a second jackpot segment. So the higher the jackpot climbs, the more dots are added to the board, giving members more chances to win the jackpot! When finally won, the jackpot is reset to \$500 and the markers are removed from the money wheel.
