

RSA & RCG QUALIFIED HOSPITALITY STAFF WITH HEART

Ryde-Eastwood offers plenty of opportunities to work in a fun and social environment, where providing great service and working as a team are what we pride ourselves on.

Previous experience is great but not necessary; all you need is a smile and a genuine desire to be of service to others. The Club trades from 10 am until 3-4 am depending on time of the week, so you must have good day and night availability including Friday and Saturday nights.

GPU STAFF

Are you new to the club industry? Our general-purpose useful positions are a great way of making a start in clubs. In this role you will be responsible for maintaining the presentation of the club. Things like picking up and washing glasses, straightening and wiping down furniture, bathroom refreshments and function room setups. This job is quite physically demanding, you'll be on your feet and on the go all the time so you'll need to be able-bodied and fit.

BAR AND GAMING ATTENDANTS

We have bars, pokies, TAB and Club Keno; if you love to be where the action is this may be the job for you!

FRONT DESK STAFF

Are you warm and welcoming; positive and well presented; efficient and a multi-tasker? Most of all you need to be customer focused as they are our first priority! If you think you can handle the buzz of working in a very busy area then we need you! Applicants must be prepared to work weekends and nights and some daytime availability would be good too.

Ryde-Eastwood requires its staff to have a mature outlook, good communication skills and a high standard of presentation. RSA and RCG certification are required for all frontline staff.
