THIRD ORDINARY RESOLUTION

That the members of Ryde-Eastwood Leagues Club approve the reclassification of the following property.

Unit 11/3 Terry Rd, West Ryde from core to non-core property.

Dated 12 September 2018

By Direction of the Board

C.A. McCarthy - General Manager

NOTES TO MEMBERS

These notes are to be read in conjunction with the proposed Ordinary Resolutions;

1. The First Resolution is to approve benefits which have traditionally been provided in the Club but which are not equally available to all members.

2. The Second Resolution is to approve an amount no greater than \$130,000 for the expenditure by the Club in relation to duties performed in or about the Club by directors and expenditure for directors to attend seminars, lectures, trade displays and other similar events including the Clubs NSW Annual General Meeting and to visit other clubs to enable the Club's governing body to be kept abreast of current trends and developments which may have a significant bearing on the nature and way in which the Club conducts its business. This resolution also includes an option for directors to participate in organised intrastate, interstate or overseas trips to view and assess facilities. This option has been included in our Annual General Meeting Agenda for the last twenty years and has been used only twice. However prior approval is required by members to ensure the Club complies with relevant legislation. Part (i) of the resolution to include reasonable expenses of partners of directors is to allow the availability of directors to attend meetings that are expected or required for their development and knowledge and are often held in distant locations.

3. The Third Resolution lists a property that was purchased in the local area in the past year. Section 41J of the Registered Clubs Act 1976 (NSW) restricts the sale of any property declared as core property by members. All the Club's local investment properties apart from the property listed in the Third Ordinary Resolution have already been approved as non-core by members in the past. The Third Ordinary Resolution is to declare that property as a non-core asset.

There is no proposal to dispose of the listed property. The Resolution is to provide flexibility for the Board of Directors present or future to properly manage these non-core assets without the need to wait for an AGM of members or convene a costly Extraordinary General Meeting.

To be passed, each ordinary resolution must receive votes in its favour from not less than a simple majority of those members who being entitled to do so, vote in person at the meeting.

The Board of Directors recommend in favour of the Ordinary Resolutions.
