

THE BEST OF DAMIEN LEITH WITH STRING QUARTET

The Best of
DAMIEN LEITH with
String Quartet

What better way to accompany Damien's voice and 12 years of music than with luscious strings.
A show not to be missed!

A large portrait of Damien Leith is on the left. To his right is a collage of six album covers: 'Australian Idol: Damien Leith The Winners Journey', 'Where We Land Damien Leith', 'Damien Leith Catch Wind Songs of a Generation', 'Damien Leith Roy', and 'Damien Leith Now & Then'.

It's been 12 years since Damien won over Australia's heart, taking out the 2006 series of Australian Idol. Since then he has released nine sensational albums. Now he's embarking on a new tour celebrating the best of those nine albums.

Hear crowd favourites like 'Hallelujah', 'Crying' and 'American Trilogy' amongst a collection of well-known songs and original compositions. With a voice that has been described as both 'Powerful and Angelic' in the same sentence, there's no finer way to showcase that sound than with the beauty of a string quartet. A show not to be missed!

Please be advised that this show only has a limited amount of Companion cards - Management
