**HOW TO ENTER & THE MAJOR DRAW**

10. On Sunday 7<sup>th</sup> August the entry ticket barrel will be open from 3.30pm and will close at 5.30pm. No entry tickets will be accepted into the barrel after 5.30pm. The total prize value for the "Membership Renewal Cash & Car Draw" promotion is either a minimum \$42,000 or a maximum \$140,000. There are 16 prizes to be won.
- a. Sunday 8<sup>th</sup> August 2022 –The draw starts at 6.00pm. Initially, 10 members will be drawn from the barrel – 3 names drawn at 6.00pm, 3 names drawn at 6.15pm, and 4 names drawn at 6.30pm. The winning entrants will be called to the draw area and asked to select from fifteen (15) envelopes in a prize barrel in the order they were drawn (1–10).
- b. Each envelope will contain a special key that each member drawn may try to unlock a special lock box with a model Nissan Juke S+ car inside.
- c. If one of the ten keys opens the lock box then that member wins the Nissan Juke S+ motor vehicle.
- d. If none of the 10 keys opens the lock box then each member will pick from a board containing fourteen (14) envelopes, each containing a cash prize (see below for list of cash prizes).
- e. After the first ten members have collected their prize, a further five (5) names are drawn. If the car has not already been won, then the same procedure applies. Members select a key and try to unlock the display box for the chance to win the Nissan motor vehicle. If unsuccessful, they pick a cash prize envelope from the board. If the car has already been won, the remaining five (5) members select an envelope from the cash prize board.
- f. At the end of this process there will be one final draw. All fifteen (15) tickets drawn for the draws described in the above points will be placed back into the draw barrel.
- g. After the draw barrel has been thoroughly spun, one ticket will be selected. The winning ticket member will be called to the prize area where forty (40) prize envelopes (in the denominations below) will be placed on a table:
  - **Five (5) Mega \$100,000 envelopes (Insured)**
  - **Six (6) Major \$50,000 envelopes (Insured)**
  - **Nine (9) Mini \$10,000 envelopes (Insured)**
  - **Twenty (20) \$2,000 envelopes (Uninsured)**
- h. The winning member opens an envelope, and the promotion host will put the prize note on a board. The winning member then repeats the process until they have five (5) of the same prizes. At this point the contest ends and the winning prize member get the prize which has been drawn five (5) times.
11. No proxy may be used on behalf of any winner for any part of this promotion. Members may only deposit their own entry ticket(s) into the barrel for the major draw.
- 11.1 For the car draw component, if a member is fortunate to be drawn out more than once and they win the car with their key selection, they will win a \$100 consolation prize for any subsequent draw, and another member will be drawn out to pick the final cash envelope off the prize board. This clause only applies if the member has won the car with an earlier drawn ticket. If they are drawn out more than once in the draw and receive a cash prize(s) first, they may still win the car if they are drawn again later in the draw. But once a member wins the car, any subsequent draws will result in their winning a \$100 consolation prize. Members may only win a maximum two prizes; any third or subsequent draws will be deemed void, and another ticket will be drawn.

**The potential winning combinations for any winning member drawn are:**
