

QUESTIONS & ANSWERS

How do I know what level I'm in?

Ask our reception staff or swipe your card at the Rewards Centre or visit our website and search under Premier Rewards Programme.

How do Members Move Up a Level?

The level or tier rankings are based on the actual points accrued. Every dollar you spend within the club earns rewards points; the total of your accrued points determines which level you are in. All new members will start at Base until the next upgrade.

By the 5th of each month members will be moved up to whichever tier their points accrual qualifies them for. Members may also move down levels, but this is assessed only every three months, in January, April, July and October, based on an average over the quarter.

What if I don't want to be part of the programme?

Members may choose to opt out if they wish by advising reception.

How do I reach the different levels of the programme?

Bonus points can be earned in all areas of the club including:

- Beverage purchases
- Gaming machine play
- Coffee Club purchases
- Involvement in member-based promotions
- Social Kitchen and Bamboo Blossom purchases
- Swim School payments

Do Membership Points Expire?

On close of business on 30 June each year all membership points with the exception of the highest Prestige level* of membership will expire and become zero (0).

How Can I Use My Points?

You can use your points to make purchases within the club on food, beverage, event tickets, gift cards and membership etc.

Points cannot be exchanged for cash. Member privileges are not transferable and are for the sole benefit of the member who holds the membership account. Management reserves the right to revoke privileges if a member fails to comply with the conditions of the Rewards Programme.

Members, look out for your Premier Rewards Symbol.

When your symbol appears on promotional material, different tiers will receive additional benefits for that specific promotion.

For individual promotion Terms and Conditions.

See reception or club flyers for details.

MEMBERS' INFORMATION

WHAT IS THE PREMIER REWARDS PROGRAMME?

The **PREMIER REWARDS PROGRAMME** is a tiered level of membership that can be obtained by any financial member of Ryde-Eastwood Leagues Club and Club Thirroul. Members gain benefits within the club based on the points they earn within a given period.

It's our way of saying 'Thank You' for your loyalty to Ryde-Eastwood Leagues Club and Club Thirroul.

WHAT ARE THE LEVELS OF THE PREMIER REWARDS PROGRAMME?

There are 5 levels of membership that can be achieved by club members.

**PRESTIGE** Prestige are our most loyal members that earn over 6000 points per month.

**ELITE** Elite is a highly active member that earns between 3000-5999 bonus points per month.

**PREMIUM** Premium is a regular active member who earns between 500-2999 points per month.

**PLUS** Plus is a standard active member of the club who earns between 1-500 bonus points per month.

**BASE** Base is the starting level for all members. They will stay in this level as long as they are a member.

The more points you earn on your card, the higher the level that you can achieve. Rewards and benefits increase for each level. All members continue to receive the same membership benefits they always have, including discounts on food and beverage within the club, as well as the usual member-based promotions etc.

The points members earn will be reviewed by the 5th of each month to determine if they are entitled to move between tiers.

Members will be moved up in tiers each month based on their activity but will only be moved down during quarterly review periods conducted every three months.
