## ABOUT US

The Auditorium is our flagship venue and is located on Level one of the building. It is suitable for large Conferences, Launches, Shows and Dance competitions. It features a permanent stage, sound and lighting equipment with huge screen and 2 side screens. It has a lift that takes you from Club lobby straight up to the main entrance of the Auditorium.

This setup is permanent, and only minor changes are allowed to ensure safety regulations are met. Every year a number of very successful events, dance competitions and shows are held in the Club Auditorium and our aim is to ensure your concert is just as successful. The seating layout used by the club is designed to ensure the comfort of patrons and also ensure adequate provision of emergency exits – Any changes to the normal seating layout should be minimal and should be approved by club Management.

If you are selling tickets to the concerts please do not sell above the capacity and ask for additional seats to be provided as this compromises our duty of care (and yours as the organiser). We do not wish to upset you or your guests by refusing additional seating but safety is paramount.

You may wish to consider an additional concert or extended hours if you have large numbers if you are booking a concert.

A clear path to emergency exits both in the seating area and backstage should be maintained at all times.

Minors must be accompanied by an adult (requirement of Registered Clubs Act). If minors are being dropped off for concert rehearsal, parents are required to take them up to the auditorium, and pick them up from there afterwards.

Use of Fire Exits for costume change / make up etc strictly off limits Limited space back of house. Additional rooms in function centre can be hired (if required)

Access to Auditorium preferred through Function Centre to be organised through Function Coordinator prior to event.

# ABOUT US

## CLUB STAFF

The club's in-house audio visual technician is required to be on hand for all audio visual requirements and this includes at least one hour before your event commences and 30 minutes after to ensure all technical requirements are covered.

Bar staff – our experience indicates that the bar should be manned for the duration of your concert to ensure your guests do not have to leave the room to obtain drinks in other bars throughout the club. Bar staff are rostered for 30 minutes before and after your function. A minimum of one staff member is required but the actual number will depend on the number of attendees.

## SET UP

We understand your big day requires a lot of set up and preparation. Our staff will assist in getting all your sets and equipment to the stage area wherever possible. However, please ensure you have allowed adequate time to prepare. Should you have any special requirements in this area including access outside our normal opening hours, please do not hesitate to discuss these with us. Note that any major change to the auditorium seating area may incur additional set up charges.

(The Functions Department will advise you of any extra charges when details are confirmed). NB: Any charges are also subject to conditions relating to safety above).

## PAYMENT

A deposit payment of \$500 is required on confirmation of your booking.

Full payment for your event must be finalised at least two weeks prior to your event date.

## SECURITY

Security is required for certain types of functions and will be advised by our function coordinator at the time of submitting your proposal.

## CATERING

If your event does not include catering and your timetable provides for a break for a meal, it is important to remember that our catering outlets can be busy and a sudden influx of a large number of customers will add a wait time for most patrons. It is important that you discuss this aspect with the coordinator to try and ensure the best outcome for your concert attendees. If your event includes lunch or dinner please discuss with our Functions Coordinator for available menu options and prices.
