

BUSINESS OPPORTUNITY

Remedial Massage Therapist

An opportunity exists for a diploma qualified remedial massage therapist with at least 3 years' experience, to take up the lease of a fully equipped massage room, situated in the gym facility at Ryde-Eastwood Leagues Club.

You would be a member of a recognised professional organisation, have Health Fund registration, a current First Aid certificate and current professional indemnity and public liability insurance.

There is further opportunity/potential for other health and wellness services to be offered, e.g. acupuncture, nutrition, pregnancy massage and sports injury treatment etc.

The Fitness Centre includes a large gym and pool with over 2,500 members. We have for many years included the offering of massage services to members and the wider community.

Whilst you would be expected to work within Club regulations, you would be a stand alone independent business, working your own hours (within gym staff operation times) with the potential to operate 7 days per week, and paying a lease fee to the Club on agreed terms. There is a large, well established client base with the opportunity for this to be expanded.

This is the ideal opportunity for someone who is interested in developing their own business whilst offering a service to the community.

Please send an expression of interest and CV to Carl Pozzato at ceo@releagues.com.au.
