NB: Failure to pay a final balance within the required time may result in the booking being cancelled and re-let. Members will be advised of this situation prior to a cancellation.

***MEMBERS MUST OCCUPY THE UNIT BOOKED FOR THE ENTIRE RENTAL PERIOD.**

The intent of this rule is to ensure the integrity of the booking process for the benefit of all members.

The units are for member's use and to gain the discount members need to be active user of the Club

By providing a rule that states members must occupy the unit for the whole of their stay, we are endeavouring to:

- Prevent members booking for non-members.
- Prevent members booking under their name to receive a discount for the benefit of other non-active members.

The Club policy is the holiday units may only be booked by members for their personal use.

Members cannot "sublet" a booking or part-booking to other members or non-members. This includes giving keys to *friends or family* if you are unable to complete the duration of your booking or booking a unit on behalf of someone else.

****Please note** – Members found to "sublet" will be disqualified from making further bookings and will also forfeit their bond

This policy also precludes a couple (husband and wife/de facto/partners) booking two units for the same time.

Members who need to cut short their holiday for personal reasons should advise the Club reception they are vacating early and return keys to club reception.
