

RSA & RCG QUALIFIED HOSPITALITY STAFF

Our local club – a great place to visit and an even better place to work!

Our vision... "To create a place at the heart of our community for everyone to enjoy"

We are looking for people with HEART who are passionate, empathetic and excited to be an integral part of our team.

Ryde-Eastwood Leagues Club offers plenty of opportunities to work in a mindful, fun and social environment, where providing great service and working as a team are what we pride ourselves on. You can even complete a Cert III traineeship in hospitality while you work!

Do you bring something special?

Customer Relations-Gaming Hosts

If we were to describe you, you would be observant, attentive, and efficient. You take pride in knowing our individual customers and what they want and need. This role will be responsible for all-round 5-star service in our "Aurora Lounge".

Clean Team Staff

Are you new to the club industry? Our Clean Team positions are a great way of making a start in clubs. In this role you will be responsible for maintaining the presentation of the club and keeping everyone COVID safe by ensuring all high touch points are regularly wiped down. You will also be picking up and washing glasses, straightening, and wiping down furniture, refreshing bathrooms and setting up function rooms. This job is quite physically demanding; you will be on your feet and on the go all the time so you will need to be able-bodied and fit.

Bar and Gaming Attendants

We have bars, pokies, TAB and Club Keno; if you love to be where the action is, this may be the job for you!

Front Desk Staff

Are you warm and welcoming; positive and well presented; efficient and a multi-tasker? Most of all you need to be customer focused as they are our first priority! If you think you can handle the buzz of working in a very busy area, then we need you!

About You

All you need is a smile and a genuine desire to be of service to others. The Club trades from 10 am until 3-4 am depending on time of the week, so you must have good day and night availability including Friday and Saturday nights.

Ryde-Eastwood requires its staff to have a positive outlook, good communication skills and a high standard of presentation. RSA and RCG certification are required for all frontline staff.

Current Public Health Orders also require all staff to be double vaccinated to be able to enter or work in a hospitality facility.
