Dear Members,

Notice regarding request for a copy of the Club's membership register

We wish to inform you that the Club has received a valid request from a member seeking access to a copy of the Club's membership register. Under section 173 of the *Corporations Act 2001* (Cth) (**Act**), the Club is legally required to allow members to inspect the membership register and provide a copy upon request, subject to compliance with procedural requirements and permissible purposes as specified in the *Act* and *Corporations Regulations 2001* (Cth).

The membership register held by the Club contains personal information of members, including members' names, addresses, and last subscription as prescribed by law. As the Club is a registered club, under section 31 of the *Registered Clubs Act 1976* (NSW) the membership register must contain the full name and address of each full member and, if applicable, the date on which the membership fee was last paid.

Please be assured that the Club takes its record-keeping and privacy obligations seriously. The provision of a copy of the register is restricted to circumstances where the request complies with all the requirements under the *Act*. The use of information contained within the register is regulated, and misuse (such as use for unauthorised or prescribed purposes) is prohibited and may give rise to offences or civil liabilities.

The Club is providing this notice to maintain transparency and to assure all members that we are complying with our obligations under the law in this matter. We will continue to handle your personal information with care and in accordance with statutory requirements.

If you have any questions or concerns regarding the handling of your personal information or the Club's statutory obligations, please contact the CEO at info@releagues.com.au or in writing addressed to the club

Yours faithfully,

Carl Pozzato
