Dear Members,

As 2026 draws to a close, I reflect on a busy and successful year while looking ahead to the opportunities that 2027 will bring. We have celebrated achievements on the field across rugby league, netball, and bowls, as well as recognition for our community endeavours.

Achievement in sport is something to celebrate, but helping people succeed in life is even more important. By providing resources and opportunities for our community, Ryde-Eastwood Leagues Club continues to make a meaningful investment in people, which is one of the greatest contributions our Club can make.

I am proud of the recognition our Club, its people and our community partners have received over the past year. These awards and commendations acknowledge the collective efforts of many people and highlight the strength of the community we are privileged to serve.

Across the road from the Club, members can see the site being prepared for our seniors living development. This exciting venture will create a valuable community asset while supporting the long-term diversification and financial strength of the Club.

This year is an election year for the Board of Ryde-Eastwood Leagues Club. Our Club has been fortunate to benefit from strong leadership, broad experience and a deep commitment to members and the community. The Board and Management remain focused on working together to guide the Club responsibly and achieve its long-term goals. Good governance is central to that responsibility. We operate in a heavily regulated industry, making ongoing development and training essential for Board members. This includes education in governance, oversight and accountability, responsible gaming, and other areas that are vital to maintaining a positive and accountable organisation. This commitment helps ensure the Club remains well governed, responsible, and prepared for the future. The dedication of our Board, Management and staff continues to support our sporting, social and community endeavours. The strength of Ryde-Eastwood Leagues Club is not only measured in financial terms, but also in the quality and commitment of the people who make up the Ryde-Eastwood family.

On behalf of the Board, Management, and staff, I wish all our loyal members a very Merry Christmas and a safe, healthy, and happy New Year. Your continued support plays an important role in the Club's success, and I look forward to seeing you at the Club in 2027.

Thank you.

**IMPORTANT INFORMATION ABOUT PLAYER ACCOUNTS - GAMING MACHINES REGULATION 2019 PART 6**

Please be advised that the Club has activated Player Accounts for all members. This functionality has been implemented at Club Thirroul, a member of the Ryde-Eastwood Leagues Group.

The security of money in player accounts is the responsibility of both the registered club and the account holder. The government and its agencies take no responsibility for any losses that might occur from the account.

An account holder is solely responsible for ensuring that the account holder's personal identification number ("PIN") is kept confidential, and that no other person has access to the account holder's player card. The account holder is liable for any losses that might arise from, or in connection with, the account holder's failure to comply with such responsibilities.

All members are able to opt-out of the Club's player reward scheme at any time. If you do not wish to participate in the Club's player reward scheme, please contact the Membership Office at Ryde-Eastwood Leagues Club. Player activity statements

# CEO'S REPORT

*Carl Pozzato*

Dear Members,

Welcome to our November Journal and the beginning of the festive season. This is always a wonderful time of year at Ryde-Eastwood, as members, families and friends come together to enjoy the Club, celebrate the end of the year and share time with one another. Whether you are joining us for a meal, meeting friends for a drink, enjoying our promotions and entertainment, or simply spending time at the Club, there is plenty happening across our venues throughout the holiday period.

As we finalise the 2025/2026 financial year, we are proud to reflect on another successful period for the Club. The achievements of the past year reflect the work of our entire team and the support of our wider membership, who continue to make the Club what it is today. Looking ahead, our focus remains on strengthening our current products and services while continuing to develop our broader vision for the Club and community.

The Club enters this busy season in a strong position. For the year ended 30 June 2026, total revenue increased to $41.47 million, EBITDA reached $9.61 million and net profit after tax was $4.07 million. This impressive result that reflects continued growth across all areas of the Club, and was supported by increased visitation, membership growth, and membership engagement.

Supporting our community remains at the heart of the Club's purpose. During the year, we provided $834,881 through ClubGRANTS, which was recognised at our Community Grants Presentation in September. When combined with grants and other community support across all areas, our total contribution exceeded $1 million. This support has reached organisations delivering vital programs in mental health, disability services, domestic and family violence support, youth development, medical assistance, veterans' welfare and social connection. Organisations supported included Escabags, CareFlight, Cerebral Palsy Alliance, Gotcha4Life, Legacy, RASAID, the Sir Roden & Lady Cutler Foundation and many others doing outstanding work. To everyone involved in our local charities, community organisations and volunteer groups, thank you for the care, commitment and remarkable difference you make every day.

There is plenty for members to enjoy over the next few months and particularly as we enter the festive season. At Ryde-Eastwood, the $12,000 Christmas Cash Draw, Christmas Raffles and Toy Raffle in December, while our Christmas Buffet Lunch at East West Kitchen offers a great option to celebrate with family and friends. November will also feature Cash Call, followed by Australia Day promotions in January. Across the holiday period, members can enjoy our dining venues and some great specials, lounge and major entertainment. At Club Thirroul, members can also look forward to the Cash and Cruise Draw and Christmas raffles.

The Riverly continues to progress, with an announcement regarding the appointed builder expected in early November. Development activity is set to begin this year, with strong interest from prospective residents in this important community hub. We are also moving into the next stage of our Planning Proposal, with the public exhibition representing an important step in shaping the long-term future of the Club and its place within the community. Our members will be central to ensuring this vision reflects the community's needs. We invite you to make a submission and participate in upcoming surveys and focus groups so your views can help guide the outcome.

On behalf of the Management Team and all our staff, thank you for your continued support throughout 2026. I wish you and your families a very Merry Christmas and I look forward to welcoming you back for an exciting 2027.

Warm regards,

**Carl Pozzato**

# A STEP CLOSER TO RYDE EASTWOOD LEAGUES CLUB'S EXCITING TRANSFORMATION

We want Ryde Eastwood Leagues Club to expand what we offer our members, guests and the wider community when they visit us. Our vision is to create a community precinct that drives the transformation of the Ryedale Road side of the train line.

Following years of consultation with members, more than 4,000 local residents, and the City of Ryde, Council has endorsed our Planning Proposal to progress to the next stage of the NSW planning process. The Planning Proposal seeks an increase to the height and floor space ratio so we can deliver:

*Perspective from Ryedale Road of Site 3 and Site 1*

*Perspective from Anzac Park. Site 1 (on the right). Site 3 (on the left)*

*Perspective from Ryedale Road of Site 1*

- Approximately 207 new dwellings that will be owned and managed by the Club and rented to the community, including to essential workers.
- A new medical specialist centre that can complement and support Ryde Hospital.
- New hotel accommodation convenient to Ryde Hospital, services and transport.
- A vibrant lively and safe day and night pedestrian and café precinct along Ryedale Road and Terry Street.
- Enhanced public outdoor spaces, including a connection to Anzac Park.

**What happens next?**

The next step in the process is Council putting the Planning Proposal on exhibition for public comment. The timing will be determined by Council, however we are hoping it will be soon.

**How can I get involved?**

When the proposal is exhibited, we will be asking for your views. You can provide your feedback in a number of ways:

*Completing our survey
*Providing feedback to us in our webinar or focus groups
*Writing a submission directly to Council.

**When the proposal is on exhibition, we'll update members and the community on how you can help shape the Club's future, in-club, online and via e-newsletter.**

# Everything Within Reach

One of The Riverly's greatest advantages is its location in the heart of a well-established local community.

Imagine starting your morning with a swim at The Fitness Edge, picking up fresh groceries from the local shops or meeting a friend nearby for coffee. West Ryde Train Station provides convenient connections when you want to travel further afield, while Ryde Hospital and a range of local medical and allied health services are also within easy reach.

Then, at the end of the day, you might meet friends or family for dinner at Ryde-Eastwood Leagues Club, just across the road, before returning home to the comfort of your own apartment. It's all part of a lifestyle designed to make everyday life simpler, leaving more time for the people, places and activities you enjoy.

Everything you need, close to home.

# CLUB GRANTS *2026*

## $831,366 INVESTED BACK INTO OUR COMMUNITY

At Ryde-Eastwood Leagues Club, community is more than just a word. It's the people, families, volunteers and organisations who make our region a wonderful place to live, work and connect.

For more than 60 years, we've proudly supported local causes and initiatives that make a real difference in people's lives. Through the ClubGRANTS program, we partner with community organisations and help provide the resources they need to continue their important work.

This year, we're proud to have contributed $831,366 in ClubGRANTS funding, including Category 1 grants awarded to 24 organisations across our community.

These organisations deliver vital programs and services that support children and families, provide health and disability services, promote education and mental wellbeing, assist people experiencing hardship, and create opportunities for those who need support most. Their work has a lasting impact across our community.

This year's recipients include Northern Sydney Local Health District, Cerebral Palsy Alliance, Escabags, Gotcha4Life Foundation, Ronald McDonald House, Learning Links, Giant Steps Australia and many others. Each shares a commitment to improving lives and strengthening the communities they serve.

We're honoured to help these groups continue their valuable work. Behind every grant is a story of support, hope and positive change.

Most importantly, none of this would be possible without the support of our members. Every visit to the Club helps us give back to the community we share.

Together, we're building stronger communities and a brighter future. That's what ClubGRANTS is all about.

# COMMUNITY *Update*

## CELEBRATING A YEAR OF RECOGNITION AND ACHIEVEMENT

**2026 has been an incredible year of recognition for Ryde-Eastwood Leagues Club and our associated businesses, highlighting the dedication of our team and the strong support of our community.**

We were honoured to be named finalists in the 2026 Local Business Awards, with Ryde-Eastwood Leagues Club, East West Kitchen, Three Little Beans and The Fitness Edge all receiving finalist nominations. Adding to this achievement, Fitness Edge team member Kea was recognised as a finalist for Youth of the Year, a fantastic acknowledgement of his commitment, passion and contribution to our community.

The celebrations didn't stop there. We were thrilled to be named Outstanding Hotel/Bottle Shop/Bar at the 2026 Local Business Awards, a prestigious recognition that reflects the hard work and commitment of our entire team. This award belongs to every staff member, Director and supporter who helps make our Club the welcoming and vibrant place it is today.

We were also proud to receive recognition through the Sydney Business Awards, further highlighting the positive impact our businesses continue to have across the region.

These achievements are about much more than awards. They represent the relationships we've built, the experiences we've created and the trust our members and guests place in us every day.

To our members, guests and local community, thank you. Every visit, every meal, every workout and every moment spent with us contributes to our success. We are incredibly grateful for your ongoing support and proud to share these accomplishments with you.

Together, we continue to create places where people can connect, celebrate and thrive.

# RIDING FOR A CAUSE

**Some causes show how powerful a community can be when it comes together. This year, Ryde-Eastwood Leagues Club took part in The Big Spin supporting Ronald McDonald House Greater Western Sydney, raising $5,952 to help keep families close.**

Our Fitness Edge team went above and beyond, riding for 12 hours and giving their all for a cause that touches many lives. Their dedication was truly inspiring.

Every dollar raised helps provide families with a home away from home while their child receives treatment, offering comfort, care and support when needed most.

Thanks to your generosity, our team raised $5,952 and helped provide 37 nights of accommodation for a family facing a challenging time, providing comfort, stability and a place to call home.

More than $860,000 was raised across the event, helping Ronald McDonald House continue its vital work supporting families throughout Greater Western Sydney.

To our team, donors and supporters, thank you. Your generosity demonstrates the best of our community: compassion, kindness and a willingness to help others.

# 2026 SEASON REFLECTION

**As the 2026 season ends, we can look back with great pride on what has been another successful year for the Ryde Eastwood Hawks. The continued growth of our football program, both on and off the field, was reflected in the performances of all four teams and the commitment shown throughout the club.**

Our Ron Massey Cup side produced an outstanding season, finishing as Minor Premiers for the first time since the early 2000s. The team put together a tremendous run during the second half of the year and progressed through to the Grand Final. Although we unfortunately fell just short in a very tight decider, the players and coaching staff should be extremely proud of everything they achieved.

Our A Grade Gold side also finished the regular season as Minor Premiers before going on to win the premiership. This was the club's first A Grade premiership in decades and a wonderful reward for the commitment shown by the players and staff throughout the season. Their success was made even more impressive by the regular movement of players into our higher grades.

While our Sydney Shield and Under 18s Gold teams narrowly missed the finals, both finished only one game outside the top five. The Under 18s were a particularly young group, with the majority still eligible to play in the age group again next season. The development and experience gained by these players will be extremely valuable as we continue building for the future.

One of the most pleasing aspects of the season was the culture and connection that continued to develop across all four grades. Our coaching staff worked tirelessly to establish strong standards around preparation, accountability and teamwork. The willingness of players to support one another and step up between grades was an important part of the club's success.

A football program of this size cannot operate without the contribution of many people. On behalf of the club, I would like to sincerely thank our players, coaches, managers, trainers, medical staff, volunteers and committee members for the enormous amount of time and effort they contributed throughout the year.

I would also like to acknowledge Ryde Eastwood Leagues Club, our valued sponsors, members, supporters, junior league clubs and pathway partners. Your continued support plays a vital role in everything we can achieve, and you are very much part of the off-field team that makes our football program possible.

Each year, we continue to improve as a club, and that is something we should all be extremely proud of. Planning for 2027 is already underway, and we look forward to building on the strong foundations and achievements of this season.

Thank you to everyone who contributed to a memorable 2026 season. As this is our final football report for the year, I would also like to wish everyone a very Merry Christmas and a safe and happy New Year.

We look forward to welcoming you back in 2027 and seeing you once again supporting the mighty Hawks!

Watch this space.

# NOTICE OF ANNUAL GENERAL MEETING (CONTINUED)

**NOTICE OF ORDINARY RESOLUTIONS**

Notice is hereby given that at the Annual General Meeting of the Club, members will be asked to consider and, if thought fit, pass the following resolutions which are proposed as Ordinary Resolutions:

**1. FIRST ORDINARY RESOLUTION**

That pursuant to the *Registered Clubs Act 1976* (NSW) the members hereby approve and agree to payment of the following honoraria for members of the Board of Directors until the next Annual General Meeting:

I. President $21,000 per annum;
II. Eight (8) other Directors $19,000 each per annum; and.
III. The Honoraria are to be payable monthly in arrears. (N.B. Under the superannuation guarantee legislation superannuation at 12% is payable to all Directors).

2. **SECOND ORDINARY RESOLUTION**

a) That pursuant to the *Registered Clubs Act 1976* (NSW) the members hereby approve and agree to expenditure by the Club in a sum not exceeding $70,000 until the next Annual General Meeting of the Club for the following activities:
   I. An annual dinner or lunch for Foundation Members and partners, as well as other special guests determined by the Board to be important to the foundation of the club;
   II. An annual Appreciation dinner or lunch for Sub-Club Executive Committee Members;
   III. Grants and subsidies to the sub-clubs;
   IV. Two free meals and beverages per fortnight for each Life Member of the Club that is not a director of the Ryde-Eastwood Leagues Club Limited (not to exceed $175 for each meal);
   V. Presentations to members and other persons acknowledging services deemed by the directors as being of benefit to the Club.

b) The members acknowledge that the benefits in paragraph (a) above are not available to members generally but only those members who fall within the various categories of membership referred to.

**3. THIRD ORDINARY RESOLUTION**

a) That pursuant to the *Registered Clubs Act 1976* (NSW) the members hereby approve and agree to expenditure by the Club in a sum not exceeding $160,000 for the following benefits, professional development and education of directors until the next Annual General Meeting and being:
   I. The reasonable cost of directors attending the ClubsNSW and Leagues Clubs Australia quarterly and annual general meetings and the reasonable costs of directors attending formal functions to represent the club including but not limited to functions and dinners conducted by ClubsNSW, and Leagues Clubs Australia and including costs associated with the directors' partners where attendance is expected and required.
   II. The reasonable cost of directors attending seminars, lectures, trade displays and other similar events as may be determined by the Board from time to time as being of benefit for Club and the education of directors;
   III. The reasonable cost of directors attending or hosting other registered clubs for the purpose of viewing and assessing their facilities and methods of operation or for the purpose of meeting and exchanging ideas with the governing bodies of those other clubs provided such attendances are approved by the Board as being necessary for the betterment of the Club;
   IV. Nine car parking spaces for the exclusive use of directors;
   V. Duty directors, while on duty, shall be entitled to the use of a table in the Club auditorium without charge;
   VI. Blazers and associated apparel for each director as may be necessary for new directors, and to replace those of existing directors which may need replacing;
   VII. The reasonable cost of a meal and beverage for each director immediately after a Board or Committee meeting on the day of that meeting where that meeting coincides with a normal meal time;
   VIII. The reasonable cost of meal and beverage for each duty director and his or her partner when the duty director is on duty in the Club or within a reasonable period of that date;
   IX. The reasonable cost of directors attending the Club's holiday units to inspect them or to assess other holiday units for purchase by the Club provided such attendances and cost thereof are approved by the Board.
   X. The reasonable cost of directors, senior management and their partners attending an annual dinner; including a token of appreciation for partners. The total value of tokens of appreciation not to exceed $2,200.
   XI. The reasonable cost of directors of the Club attending an organised intrastate, interstate or overseas tour as determined by the Board of the Club for the purpose of viewing and assessing the facilities of casinos, hotels and entertainment venues and determining trends in relation to entertainment, decor, gaming, marketing and promotion and thereafter for such director to make a detailed written report thereon to the Board of the Club;
   XII. The reasonable expense incurred by directors in relation to such other duties including entertainment of special guests to the Club and other promotional activities performed by directors which activities and the expense there from are approved by the Board, on production of receipts, invoices or other proper documentary evidence of such expenditure;
   XIII. The reasonable use by directors of the Club's facilities when in attendance.
   XIV. That the members approve that directors and other members be entitled to represent the Club at sponsored sports events by invitation.
   XV. The reasonable cost of providing directors with computer hardware as well as internet access to access a secure website for Board meeting minutes and agenda items

b) The members acknowledge that the benefits in paragraph (a) above, are not available to members generally, but only to those who are directors of the Club and partners of directors who are members and senior management and their partners who are members.

**Explanatory notes regarding the First, Second and Third Ordinary Resolutions**

1. These notes are to be read in conjunction with the proposed Ordinary Resolutions. The First, Second and Third Ordinary Resolutions are put to members for the purposes of section 10(6) and 10(6A) of the *Registered Cubs Act 1976* (NSW) (**Registered Clubs Act**) which require members in General Meeting to approve certain benefits granted to specific members or classes of members not provided to other members of the Club.
2. The First Ordinary Resolution is to approve honoraria to be paid to Directors of the Club until the next Annual General Meeting.
3. The Second Ordinary Resolution is to approve benefits which have traditionally been provided in the Club but which are not equally available to all members.
4. The Third Ordinary Resolution is to approve an amount no greater than $160,000 for the expenditure by the Club in relation to duties performed in or about the Club by directors and expenditure for directors to attend seminars, lectures, trade displays and other similar events including the Clubs NSW Annual General Meeting and to visit other clubs to enable the Club's governing body to be kept abreast of current trends and developments which may have a significant bearing on the nature and way in which the Club conducts its business. This resolution also includes an option for directors to participate in organised intrastate, interstate or overseas trips to view and assess facilities. This option has been included in our Annual General Meeting Agenda for the last twenty years and has been used only twice. However prior approval is required by members to ensure the club complies with relevant legislation. Part (i) of the resolution to include reasonable expenses of partners of directors is to allow the availability of directors to attend meetings that are expected or required for their development and knowledge and are often held in distant locations.

**NOTICE OF SPECIAL RESOLUTION**

Notice is hereby given that at the Annual General Meeting of the Club, members will be asked to consider and, if thought fit, pass the following resolution which is proposed as a Special Resolution:

**SPECIAL RESOLUTION**

That the Constitution of Ryde-Eastwood Leagues Club Ltd (**Club**) by:

- In rule 2, deleting the definition of "By-Laws" and inserting instead the following new definition:
  *""**By-Laws**" shall mean and include by-laws made and adopted by the Board and shall include rules, regulations and policies."*
- In rule 10(d), adding a comma after each of the words "give", "sell", "mortgage", "exchange", "hire" and "lease" so that the rule will read as follows:
  *"(d) To give, sell, mortgage, exchange, hire, lease (not being premises covered by club licence held under the Liquor Act) or otherwise dispose of the property of the Club or any parts or parts thereof.*
- In rule 10(f), adding a comma after each of the words the "make", "draw", "accept", "endorse", "discount", "lading" and "warrants" so that the rule will read as follows:
  *"(f) To make, draw, accept, endorse, discount, execute and issue promissory notes bills of exchange bills of lading, warrants , debentures and other negotiable or transferable instruments."*
- In rule 20, replacing the words "both sexes" with the words "all genders" so that the rule will read as follows:
  *"20. All classes of membership are open to all genders."*
- In rule 45(a)(i), replacing the words "as a prepaid letter posted to the member's last known address" with the words "to the member in accordance with Rule 93" so that rule 45(a)(i) will read as follows:
  *"(i) Such member shall be notified of any charge against the member pursuant to this Rule and of the date time place of the hearing of the charge by notice in writing sent to the member in accordance with Rule 93 at least seven clear days before the meeting of the Board or meeting of the Board's duly constituted disciplinary committee at which such charge is to be heard. The notice must set out the facts, matters and circumstances giving rise to the charge."*
- Deleting rule 45(h).
- Deleting rule 69(j) and inserting instead the following new rule 69(j):
  *" (j) If he or she fails to complete any training for a registered club director that the person is required to complete, within the relevant prescribed period, pursuant to the Registered Clubs Act, Registered Clubs Regulation, Gaming Machines Act and Gaming Machines Regulation 2019 (NSW) or is otherwise mandatory training for a director of the Club as a member of an industry association (provided that this Rule 69(j) shall not apply to any Director who is exempt from completing such training a relevant provision of the legislation or relevant code of practice)."*
- Deleting rule numbered "15" and the word "Deleted" beside it, and consecutive renumbering all subsequent rules as 15, 16 and so on and amending cross references to rules within the Constitution accordingly. For example:
  - As rule 24 will be renumbered as 23, the reference in rule 24(b) (to be renumbered 23(b)) to rule 24(a) will be amended to refer to rule 23(a);
  - Rule 28(c) will be renumbered 27(c), and the current reference in rule 29(f) (to be renumbered 28(f)) to rule 28(c) will be amended to refer to rule 27(c);
  - Rule 29(g) will be renumbered 28(g), and internal references to 29(f) and 29(g) will be amended to 28(f) and 28(g) respectively,

  and so on throughout the Constitution.

**Explanatory notes regarding the Special Resolution**

1. If passed, the Special Resolution will make general tidy ups and updates to the Club's Constitution. These are explained below.
2. The proposed new definition of "By-Laws" in rule 2 is intended to ensure that references to by-laws includes regulations and policies adopted by the Board from time to time. The current definition of By-Laws does not expressly refer to policies of the Club. The new definition makes it clear that policies may be enforced under the Constitution. For example, the Club has responsible service of alcohol and responsible conduct of gambling policies adopted by the Board which are enforced by the Club. By-Laws and their enforcement are referred to in various parts of the Constitution, such as rule 45 (Disciplinary Proceedings) and 47(c) (Guests), and the Club's responsible service of alcohol and responsible conduct of gambling policies are referred to in rules 45(c)(viii) and 45(g).
3. The proposed additions of commas to rules 10(d) and 10(f) are for grammatical purposes only.
4. Rule 20 presently refers to all membership classes being open to both sexes. Given modern general recognition of more than two genders, it is proposed to update the rule so that it refers to all genders, rather than both sexes.
5. Rule 45(a)(i) states that notice of a disciplinary charge is to be sent by prepaid post to a member. However, recent changes to the *Corporations Act 2001* (Cth) (**Corporations Act**) and Registered Clubs Act, the Club can send notices by electronic means to its members, subject to the ability of a member to select the post as a means of receiving notices. This is reflected in rule 93 of the Constitution. The proposed change to rule 45(a)(i) will allow the Club to send notices of disciplinary charge to members by electronic means, subject to the ability of a member to elect to receive notices of disciplinary charge by post.
6. Rule 45(h) is a duplication of rule 45(g) and may be deleted.
7. Rule 69(j) presently refers to the *Registered Clubs Regulation 2015* (NSW). That Regulation was replaced by the *Registered Clubs Regulation 2025* (NSW). In addition, the existing rule refers to the ClubsNSW Gaming Code of Practice which has been repealed. The current *Registered Clubs Regulation 2025* (NSW) is defined in rule 2 of the Constitution. Therefore rule 69(j) is to be replaced by using the term "Registered Clubs Regulation" which is defined in rule 2 as the current regulation, being the *Registered Clubs Regulation 2025* (NSW) and by removing reference to the Gaming Code of Practice. The *Gaming Machines Regulation 2019* (NSW) sets out training requirements for directors.

**GENERAL NOTES REGARDING THE ORDINARY RESOLUTIONS AND SPECIAL RESOLUTION**

1. Pursuant to rules 24 and 98 of the Club's Constitution, only Life Members, financial Foundation Life Members and financial Club Members who have at least 5 years standing as Full Members may vote on the Ordinary Resolutions and Special Resolution.
2. To be passed, the Ordinary Resolutions must receive votes in their favour from not less than a simple majority of those members who, being entitled to do so, vote in person at the meeting.

# BOWLS CLUB UPDATE

## Men's Bowls

*Mens 4's Finalist*

*Club selected mens finalists*

**After winning the Illawarra Region Division 4 Men's Pennant title, our combined Club Thirroul and Scarborough/Wombarra Division 4 team travelled to Kempsey/South West Rocks for the NSW State Pennant Playoffs. Winning two of their three sectional games saw them progress to the knockout stage, where they faced South West Rocks in a thrilling quarter-final. With the scores locked at 57-57 at the end of play, an extra end was required under State Playoff rules. In near darkness, the team narrowly lost the extra end, bringing their State Championship campaign to a cruel end.**

We thank Ryde-Eastwood Leagues Club for their generous financial support towards the team's travel and the Thirroul Women's Club for providing each player with a bowls cloth.

In Club Championship news, Gerald Peggs, Russell Dobbs, Mitchum Walters and Dave Walters won the Men's 4's, defeating Steve Cheney, Steve Joyce, David Gould and Anthony O'Neill 21-11.

The inaugural Men's Club Selected 4's produced a memorable final, with Steve Cheney, Mitch Walters, Jim Gilogley and Rod Henderson drawing 16-16 with Henry Urbanski, Jeff Buchanan, Lloyd Jones and Anthony O'Neill after 21 ends. Team Henderson secured two shots in the tense extra end to claim the title.

With all Club Championships now completed, our Annual Presentation Evening was be held on 19 September, celebrating the achievements of our women and men bowlers and the Club throughout the 2025/26 bowls year. And, of course, seeing Rocket Henderson 'let his hair down' was worth the ticket price alone!

## Women's Bowls

**Thirroul Women's Bowling Club continues to thrive. Rhonda Brown and Cheryl Mandell won the Claudette Herbert Pairs after a hard-fought final against Vicki Attenborough and Maree Buchanan. Maree Buchanan also won the Minor Singles, with Cheryl Mandell runner-up. Congratulations to all players.**

Club Thirroul hosted the Region Interschool Challenge Final, with three teams progressing to the State Final in October. Congratulations to all participants and thank you to our volunteers.

Three successful Lunge Club events have now been held, encouraging women and girls to enjoy bowls in a safe and welcoming environment.

Our Annual Combined Presentation Night on 19 September was a great success — congratulations to all winners.

The Annual Gala Day on 21 September attracted players from across the Region and Sutherland Shire, filling two greens for a great day on and off the greens. Thank you to all volunteers and Club Thirroul for helping make the day a success.

## 2026 NSW INTER-SCHOOLS BOWLS ILLAWARRA FINAL

**Congratulations to the following school teams who have qualified to represent the Illawarra region at the NSW State Finals at Club Merrylands on 20 and 21 October:**

- Corrimal High School
- Holy Spirit College, Bellambi Boys
- Holy Spirit College, Bellambi Girls

Over the past 12 months, seven Illawarra schools have learnt the great game of bowls at Club Thirroul, with valuable support from the Men's and Women's Clubs.

The program has provided students with a fun, welcoming and inclusive environment to develop valuable life skills, including leadership, teamwork, concentration, strong ethics and values. Students have gained confidence and experience through their participation in this safe and supportive program.

# COMMUNITY

## A PARTNERSHIP THAT DELIVERS

**Club Thirroul is proud to celebrate another outstanding season for Thirroul Thunder Football Club, a community organisation that continues to provide opportunities for hundreds of local players, volunteers and families across the Northern Illawarra.**

As a long-standing community partner, Club Thirroul's support helps ensure football remains accessible, inclusive and affordable for players of all ages. With more than 700 participants across junior, youth, women's and men's teams, Thirroul Football Club continues to play a vital role in bringing the community together through sport.

The 2026 season was particularly memorable for the Thunder, highlighted by a remarkable premiership success in Illawarra Premier League 2 Second Grade. In a gripping Grand Final at Macedonia Park, Thirroul claimed a dramatic 1-0 victory over Dandaloo, with Dean Morosin heading home the winning goal deep into stoppage time. The result secured the club's ninth Second Grade championship and completed back-to-back league and grand final doubles, further cementing Thunder's reputation as one of the region's strongest football programs.

*Thirroul Football Club 2026 Seniors Presentation*

While success on the field is worth celebrating, the true strength of Thirroul Football Club lies in its people. Club Thirroul is proud to support the volunteers, coaches, committee members and families who dedicate countless hours to creating a positive sporting environment where players can develop their skills, build confidence and form lifelong friendships.

*Under 13 Boys Division 3 Coach's Award*

Throughout the season, Club Thirroul provided sponsorship support as well as hosting presentation nights, meetings and club events. These occasions gave players and families the opportunity to come together, celebrate achievements and recognise the volunteers whose efforts make community sport possible.

The partnership between Club Thirroul and Thirroul Football Club extends well beyond financial support. It represents a shared commitment to strengthening community connections, encouraging active lifestyles and creating opportunities for local people to participate in sport regardless of age or ability.

As another successful season ends, Club Thirroul congratulates everyone involved with Thirroul Thunder Football Club on their achievements. From grassroots development through to premiership success, the Thunder continues to inspire local pride and community spirit, and Club Thirroul is honoured to play a role in that journey.
